### Bi-folds

There are many options available for bi-folds, as pictured above.

To the right is a cross section of “Timba-Fold” Bi-folding gear, which is what we mainly use in our bi-fold doors. This is a superior top hung system.

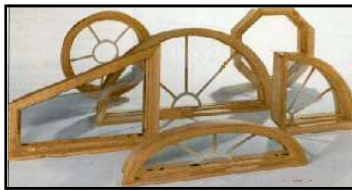

Manufactured by “Interlock”

## Windows

There is such a huge amount of window variations or styles around that it would be hard to show every conceivable window available. Below are just a few options that Westpine can offer you as well as our stock

Specialty Windows
